

# HISTOIRES DE LA BIBLE POUR ENFANTS

The new Western/European version is now available !

Two years after the release of our first CD of Bible stories for children (in conjunction with Comforting Mercies Ministries), we are thrilled to announce the release of a second edition. While the first edition was intended for African French-speaking children in particular, this version has been adapted for children in Western French-speaking countries, such as France, Switzerland, Belgium, Luxembourg, and Quebec.

**Does this CD contain the same eleven Bible stories as the first edition ?**

Yes: we share the big story of the Gospel, from Creation to the return of Christ.

**How have you adapted this edition for a European/Canadian audience ?**

We have modified the text of the stories for listeners who have little or no religious background, explaining carefully every biblical term. The native French accents of our narrators as well as a more classical-style soundtrack also give this recording a more European feel.

**Do you have an excerpt of the CD to listen to ?**

Yes, we have included a sample of the CD on our site.

**How may I order copies of the French/Spanish/Portuguese versions in North America ?**

Our two French editions, as well as Spanish and Portuguese editions, are available through Comforting Mercies Ministries ([www.needcomfort.org](http://www.needcomfort.org)).

**How much should I pay for each CD ?**

Donations of any amount are greatly appreciated. Your gifts enable us to produce, duplicate, and ship each CD. Donations for CDs ordered in North American should be directed to :
